MARQUIS Who'sWho®

January 17, 2024

Dear Dillip Mishra,

Congratulations on your inclusion as a Marquis Who's Who biographical listee! We are glad that you've taken this important step on your journey in professional networking and personal branding, and feel strongly that your involvement with our prestigious network will allow you to achieve your goals for establishing, enhancing and fortifying your online brand.

As you know, Marquis Who's Who has been the world's preeminent biographer since 1899, but we are excited about our more recent initiatives to expand our suite of services, which allow distinguished professionals to develop the most sterling online identities in order to achieve a valuable place in today's Web-based market. These services include:

- **Marquis Biographies Online (MBO):** Our searchable online database features comprehensive profiles of more than 1.5 million of the most accomplished individuals from all fields of endeavor. With a subscription to MBO, you are afforded access to current biographies of all individuals who appeared in a Marquis print title since 1985. Simply log into mbo.marquiswhoswho.com with your username and password (below) to search our distinguished list of leaders and achievers.

Research Opportunities Week

October 9-13, 2023

Technical University of Munich | Arcisstrasse 21 | D-80333 Munich

Dillip Kumar Mishra

3434 Laurens Rd

29607 Greenville

United States

Munich, 2 Aug 2023

Invitation Letter

We hereby confirm that **Dillip Kumar Mishra** (born on **10/06/1984**), **Z6281172**, is invited to visit our university as a guest for one week from October 9 to October 13, 2023 and will be participating in our Research Opportunities Week.

The purpose of the visit will be to learn about the Technical University of Munich and its services, campuses, and characteristics in general. In addition, **Dillip Kumar Mishra** will meet exceptional academics, get to explore the research facilities at TUM, and talk to experts in their field.

By participating **Dillip Kumar Mishra** will have the chance to receive a dedicated scholarship to spend two years as a postdoc at TUM.

For Research Opportunities Week, we will pay the total costs for accommodation from Sunday, October 8, 2023 (check-in) to Saturday, October 14, 2023 (check-out), pay some of the meals and we will reimburse the travel expenses of **Dillip Kumar Mishra**.

VC's Conference Fund 2021 Online Round 2 Outcome

Dear Dilip MISHRA,

I am delighted to advise that your recent application for funds from the **Vice-Chancellor's Postgraduate Research Students Conference Fund 2021- Online Round 2** was successful for the amount of **AUD \$102** for the **2021 IEEE PES General Meeting**.

The funding is awarded on the following conditions:

1. **You will need to provide a copy of your conference acceptance** if you have not done so already to research.scholarships@uts.edu.au via your UTS Student Email Account. Acceptance is required before payment can be processed. You will not be able to see your grant on My Student Admin until you have provided us with an evidence of acceptance.
2. **You will need to provide a confirmed estimate of your 2021 conference registration fee cost** if you have indicated this has yet to be announced by the conference organisers or 'to be confirmed' in your application. You will not be able to see your grant on My Student Admin until you have provided us with a confirmation of registration fee. Note that if the registration costs are significantly higher than the estimated cost, further approvals need to be sought from the panel.
3. Please provide also any other requested documents requested to you by email. You will not be able to see your grant on My Student Admin until you have provided us with these requesting documents.
4. You will need to submit an online **Conference Report** to the Graduate Research School within two months of attending your conference; and
5. You can only use these funds for the conference and type of presentation as indicated in your original application.
6. If you are unable to attend the conference, you will be required to notify GRS immediately and return the funds granted in full.

To whom it may concern,

Re: Polish Visa – Letter of Support

Name: Dillip Kumar Mishra
Position: Student
Date of birth: 10-June-1984
Nationality: Indian
Passport No: Z6281172
Issue date: 20 September 2021
Expiry date: 19 September 2031

This letter is to confirm that the above mentioned has been selected to participate in a project entitled 'PROM Programme - International scholarship exchange of PhD students and academics' at the Poznan University of Technology from 4th – 17th September 2022.

The project is sponsored by the Polish National Agency for Academic Exchange (NAWA) and its scheduled activities include participation in research visits, panel discussions, research skills development workshops and research presentations.

The cost of the student's participation in the above project including international travel and accommodation is covered by NAWA and co-financed by the European Social Fund under the Knowledge Education Development Operational Programme. The student will be travelling in an official capacity as part of a UTS delegation and will be covered for medical expenses and travel insurance.

We graciously request that a Visa be granted for the purpose of participating in this project. If you have any further questions, please do not hesitate to contact to me.

Thank you in advance for considering this request.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Iwona Miliszewska', written in a cursive style.

Dear Mr Mishra
2019 International Research Scholarship Offer Letter

On behalf of University of Technology Sydney (UTS), I am delighted to offer the International Research Scholarship as detailed here:

Scholarship Title	International Research Scholarship
Scholarship Value	Tuition fees only
Scholarship Duration	3 years (may be reduced for prior study)
Commencement Year	2019
Session	1
Course	C02018 Doctor of Philosophy

The International Research Scholarship is awarded to students of exceptional research potential undertaking a higher degree by research. This Award is in recognition of both your past achievements and your potential contribution to your chosen field. The International Research Scholarship covers **tuition fees only**. It does not cover the cost of Overseas Health Cover (OHSC), Services and Amenities Fee (SSAF), books or other expenses associated with the course.

Please be aware that if you obtain permanent residence either before or during your candidature, you will no longer be eligible for this Award.

Please read the details and Conditions of Award included in this Letter of Offer carefully before accepting this scholarship. Upon acceptance of this scholarship, you would be deemed to have thoroughly understood and agree to abide by the Conditions of Award as provided governing this Scholarship.

Dear Mr Mishra

2019 UTS President's Scholarship Offer Letter

On behalf of University of Technology Sydney (UTS), I am delighted to offer you the UTS President's Scholarship, as detailed here:

Scholarship Title	UTS President's Scholarship
Scholarship Value	\$27,596 per annum (indexed, 2019 rate)
Scholarship Duration	3 years (may be reduced for prior study)
Commencement Year	2019
Session	1
Course	C02018 Doctor of Philosophy

The tax-free stipend is provided to assist with general living costs and is indexed annually.

Please read the details and Conditions of Award included in this Letter of Offer carefully before accepting this Scholarship. Upon acceptance of this scholarship, you would be deemed to have thoroughly understood and agree to abide by the Conditions of Award as provided governing this Scholarship.

To accept this scholarship, you must:

New Students

1. Complete the attached acceptance advice and return to Graduate Research School by **31-Oct-2018**, otherwise your scholarship offer will be withdrawn; and
2. Satisfy all the admissions requirements for the award in conjunction with your candidature in the **Faculty of Engineering and IT**; and
3. Accept your offer of a university place at UTS by completing the acceptance for your offer of admission for a Higher Research Degree on a full-time basis.

Mr Dillip Kumar Mishra
MIG-209
KANAN VIHAR PHASE-2 , PATIA
BHUBANESWAR ODISHA 751024 India

Dear Mr Mishra,

Congratulations on receiving your offer for admission to Higher Degree by Research Candidature at the University of Tasmania. We welcome you to our [Graduate Research Community](#) and are pleased to offer you the following:

Study Program: Doctor of Philosophy (Electrical Engineering) and Graduate Certificate in Research

Research Topic: Smart Energy Networks Featuring Massive Connected Heterogeneous Sources and Sensors with Incomplete and Asynchronous Communication.

Scholarship: You have been awarded the following:

- A 2018 Tasmania Graduate Research Scholarship living allowance of AUD\$27,082pa (2018 rate, indexed annually) for three years with a possible six month extension.
- A tuition fee scholarship which will cover 100% of your tuition fees for four years with no extension available.

A Higher Degree by Research at the University of Tasmania will place you in a unique research environment, working with the best in the field. We aim to ensure that you not only make an impact in your chosen field, but also develop the skills you need for the career you want at the end of your degree.

The University's position in a distinct island location as well as its high standing in world university rankings offers exciting research opportunities. In addition to the support and development provided by your supervisors you will have access to specialised research training and be invited to join the wider research community through participation in research seminars, public lectures and related events.

This offer is made on the basis of any conditions specified in the enclosed *Offer – Higher Degree by Research and Acceptance of Offer* information below. To accept this offer, indicate your acceptance via the online application system, pay any fees listed as per the information on page 5, and meet all conditions as outlined in the Conditions of Offer.

Please ensure you have completed your acceptance by **8 November 2018**. If we have not received your acceptance by this date, and you have not contacted the Graduate Research Office (GRO), your offer may be withdrawn.

Prior to accepting your offer you should refer to the [International Future Students](#) website for more information about studying at the University of Tasmania and life in Tasmania. The website includes a wide range of information from estimates of costs of living, to information about Streamlined Visa Processing (SVP). You should also familiarise yourself with the information contained within the [Graduate Research Candidate Guide](#).

If you require any assistance in relation to this offer please contact the [Graduate Research Office](#).

I wish you all the very best for your future research and career.

Yours sincerely,

Professor Clive Baldock
