Dillip:

Congratulations on becoming the Chair of the Piedmont Section YP.

I am the Piedmont Section Chair.

As the YP Chair, you are also on the Piedmont Section ExCom (Executive Committee).

Section ExComs help run the Sections. In the Piedmont Section, our ExCom should have quarterly meetings.

Our big section project at this time is setting up and running Section Elections. That means you will see quite a few emails about Section Elections.

The Piedmont Section normally does not have Section Meetings during the Summer. (July and August)

If you have questions, please feel free to contact me.

Thank you for being the YP Chair and a member of the Piedmont Section.

David Fillion
Life Senior Member
IEEE HKN Member
Chair, Piedmont Section

Hi David,
Thank you for the warm welcome and congratulations. I'm excited to join the Section ExCom as YP Chair.

I appreciate the information you gave me about my responsibilities, including the quarterly meetings and organizing the Section Elections. I'll keep an eye out for related emails.

Thanks also to Hasala for the guidance and support during this transition.

Looking forward to working with you and the ExCom.

Best regards,
Dr. Dillip Kumar Mishra

Mission and Objective

The mission and objective of the IEEE CTSoc Consumer Power and Energy Technical Committee (CPE TC) is to implement the Field of Interest of the IEEE CTSoc and to assist, support, endorse, corroborate and strengthen IEEE CTSoc conferences, publications, standards, education, future directions, new initiatives, emerging technologies, technical sessions, workshops, and research, and other information exchanges in the area of consumer devices connectivity, architectures, applications, with a particular focus on energy management, power systems, residential nano grids, residential production and storage systems.

CPE TC is a cluster of engineers, practitioners, technologists, scientist, researchers from Industry and Academia from around the world.

The committee also assumes the proactive duty to recommend suitable candidates from CPE TC members to serve as:

- Chairs and or Members of Technical Program Committees (TPC) of CTSoc Conferences (ICCE-Las Vegas, ICCE-Berlin, ICCE-Taiwan, ICCE-Asia, GCCE-Japan, ISCT, and GEM).
- EiCs, Associates Editors and Editors to CTSoc Publications (IEEE Transactions on Consumer Electronics, IEEE ACCESS Section for Consumer Technology Society (Open Access), IEEE Consumer Electronics Magazine, News on Consumer Technology-NCT, CTSoc World Newsletter).
- Distinguished Lecturers and tutorials for CTSoc Education.
- Members of CTSoc Standards Committees and Working Groups.
